

Portrait Finishes

We offer three finishes on our portraits 11x14 and larger.

Majestic is our finest retouched portrait mounted onto heavy artboard and sealed with a lacquer spray.

Regal is our finest retouched portrait mounted onto canvas board or masonite and sealed with a lacquer spray.

Imperial is our finest retouched portrait which is stripped from the paper backing and mounted to canvas. Then the canvas is stretched over a wooden stretcher frame. Acrylic brush strokes are painted onto the portrait to give it an "oil portrait" or painted look.
